

Supported Mainstream Education

As a focus high school, offering support to young people, of exceptional potential, our trained staff are ready to assist your child in their journey to success.

The Junior Learning Support, focusses on remediating gaps in the curriculum, and supporting every child by means of skills interventions.

The Senior Learning Support focusses on subject support. We offer individual and group support in all the core subjects as well as tutor groups in content subjects.

Grantley specialises in the remediation of gaps in Gr 8 and 9. In order to do this we put an Individual Education Programme (IEP) in place for each learner, this identifies the gaps, as well as the areas of need within their curriculum. The IEP, is the guiding document used to get our learners ready, for the FET phase of our school, and the National Senior Certificate Examination.

Grantley College has a structured Pastoral Care system, with two highly qualified psychologists on staff to advise, support and provide emotional support to our learners.

A range of assessments offered from Grade 8—12, ensures that adequate examination and assessment support is provide. Concessions - from prompters to full amanuensis—are offered in each grade.

Grantley College strives to offer a premier high school experience, together with comprehensive learning support, in a compassionate environment.

As a focus high school, offering tuition from Grade 8—12, Grantley College is equipped to support and inspire learners of great aptitude and potential, who may require assistance, in realising their full capability.

In an environment of care and compassion, learners are guided and nurtured, not only to achieve academically, but to develop their life skills, becoming young ladies and gentlemen, who can confidently, enter the adult world.

Our academic programme is geared to meet the requirements of the National Senior Certificate programme. We are proud of our excellent results in the National Senior Certificate examinations over the past 5 years.

Grantley College understands the great challenges, that face each and every one of our young people. Keeping this in mind, we hasten to equip them with foundational values that will stand them in good stead.

Respect, Responsibility and Integrity, are the keystones of our day to day interaction.

Intentional teaching of good manners and courtesy go hand in hand, with common sense and tolerance.

An all encompassing sense of Ubuntu, permeates everything we teach at Grantley College

As we strive to partner with families to ensure success, in all avenues of life, Grantley College offers a multifaceted approach to education.

- Providing the highest quality supported mainstream academic programme;
- Reading and comprehension recovery for Grades 8 and 9;
- Providing sporting opportunities for full participation for all;
- Providing cultural and club activities, including social community investment opportunities;
- Providing future focussed skill building, including robotics and computer skills;
- Providing social, emotional and academic support, on campus , daily.

You are invited to contact the school for an appointment, to discuss the benefits of enrolling your child at Grantley College.
