

# GRANTLEY COLLEGE

**WE RISE**

In 1964 Mr Grant Levay established a school that would meet the needs of children that he felt were academically capable, but not reaching their full potential.

Now with 55 years of experience in supporting learners with great potential, who need a small class environment, Grantley College boasts a remarkable success rate.

These include learners who have ADHD/ADD, dyslexia, dyscalculia, dysgraphia, dyspraxia and are on the autism spectrum.

## .. AND THE HEROES...

The Department of Education continues to recognize Grantley College as being the **Top Performing Support** school in the Johannesburg District.

Grantley continued it's proud tradition in 2019 by finishing the year with **100% Gr 12 pass.**

2019—48%

*"Striving for quality— Striving for success"*

## HISTORY AND HEROES

*"challenges are not stop signs—they are sign posts" - R schuller*

## THE JOURNEY TO SUCCESS

As a mainstream high school, offering support to young people of exceptional potential, our trained staff are ready to assist your child in their journey to success.

The Junior Learning Support, focuses on remediating gaps in the curriculum, and supporting every child by means of skills interventions.

The Senior Learning Support focuses on subject support. We offer individual and group support in all the core subjects, as well as tutor classes in content subjects.

Grantley specialises in the remediation of gaps in Grade 8 and 9. In order to do this we put an Individual Education Programme (IEP) in place for each learner. This identifies the curriculum gaps. The IEP is the guiding document used to get our learners ready for the FET phase and the National Senior Certificate examination.

## A HELPING HAND

A range of educational psychological assessments are offered from Grade 8 to Grade 12, ensuring that adequate examination support is provided to learners.

Concessions such as additional time, prompters, readers and scribes are applied for and provided to learners in each grade.

Grantley College has a structured pastoral care system, with two highly qualified psychologists on staff, to advise and provide emotional support and short term therapy to our learners

## LEARNING SUPPORT

*"Today's might oak is yesterday's nut, that held its ground"*

## SUBJECTS OFFERED IN GRADE 8 AND 9

### CAPS COMPLIANT CURRICULUM

English Home Language	Natural Science	Technology
Afrikaans or isiZulu	Social Studies	Creative Arts

Acknowledging that the world around us is changing, Grantley College has embarked upon a curriculum that “future proofs” our children. Robotics and Coding skills are offered in our Grade 8 and 9 curriculum. A full range of subject choice assessments is done in Grade 9. This ensures that each learner chooses subjects that will equip them for the future, whilst taking interest, potential and ability into consideration.

## ACADEMIC PROGRAMME

*“Don't judge a fish by its ability to climb a tree” – Albert Einstein*

# NATIONAL CERTIFICATE IN HOSPITALITY

Grantley College is proud to offer the

## NATIONAL CERTIFICATE IN HOSPITALITY.

The Certificate in Hospitality is a nationally offered certification that gives the learner the opportunity to focus on their area of interest from Grade 10 onwards. It is certified and accredited by Umalusi on the NQF level 3 (which is equal to Grade 12 Senior Certificate). The course runs for three years covering all areas of hospitality, client services and entrepreneurship, whilst offering the learner the opportunity to participate in a full high school life. Entrance into this course is dependent on a successful Grade 9 pass. Our facilities include a well-appointed kitchen and restaurant.

## CAREER PATHS IN HOSPITALITY

Both the University of Johannesburg and Wits, as well as a number of private colleges, accept learners who have completed the National Certificate in Hospitality to study further in the Hospitality field. Possible career paths include: Event Planning, Hotel and Lodge Management, Chef, Food and Beverage Management, Guest Relations Start-up Restaurateur and Food Innovator and many more.

## HOSPITALITY SECTOR PARTNERSHIPS

Grantley is proud to be partnering with well known hotel groups during the final year of the programme, to offer our learners quality off-campus practical experiences. We continually strive to expand the experience-based opportunities given to our learners, to gain practical and networking experiences in the myriad renowned hotels and restaurants found in and around the Johannesburg area.

Fundamental Subjects		
English as First Additional	Life Orientation	Mathematical Literacy
Core Subjects		
Hospitality Services	Food Preparation	Entrepreneurship
	Hospitality Generics
